

NEW IDEAS FOR CIC

AL-FARABI KAZAKH NATIONAL UNIVERSITY

Yesbol Omirzhanov

Director

International Cooperation Department

VIRTUAL EXCHANGES AND JOINT COURSES

Universities organize joint courses where students from different campuses learn together in a virtual format.

Virtual exchange program would give students international experience, culture and teaching styles of other campuses.

Partnership between campuses to create laboratories with virtual access.

Opportunity for Campus-to-Campus: Collaborative research projects open access to unique data, equipment, and the expertise of researchers from different regions.

JOINT RESEARCH LABORATORIES AND PROJECTS

PARTICIPATION IN INTERNATIONAL EDUCATIONAL AND RESEARCH PROJECTS

"China and Central Asia Legal Research Center" with Xi'an Jiaotong University

"Kazakhstan Research Center" in partnership with Beijing University of Language and Culture

Laboratory of Remote Sensing Technologies and Applications with Xinjiang Institute of Ecology and Geography, Chinese Academy of Sciences

International Research Laboratory "Archaeozoological Center for the Study of Central Asia" with the International Research Laboratory of France

Joint Seismic Center with Tsukuba University

JOINT INTERNSHIPS AND WORK PLACEMENTS

Exchange internships within institutions, their partner companies or organizations, allowing students to intern across locations.

Opportunity for Campus-to-Campus:

Enriches students with professional skills, enhances language proficiency, and improves cultural competencies—especially valuable for the global job market.

KAZNU EXPERIENCE OF WORLDWIDE EXCHANGE

250+ Undergraduate
students

1500+ Master
students

750+ PhD students

250+
students holders
of international
scholarships and
grants

CULTURAL AND LANGUAGE EXCHANGES

Campuses can also hold online-offline events dedicated to the culture, history, and art of partner countries, educational and cultural summer schools.

Setting up online platforms for language exchange, where students practice languages with native speakers from partner campuses.

Opportunity for Campus-to-Campus:
This will create an immersive environment for students to learn a new language and culture, supporting personal growth and enhancing intercultural communication.

DIGITAL LIBRARY AND SHARED ACCESS TO RESOURCES

Partner universities provide shared access to digital libraries, research databases, and academic materials.

Opportunity for Campus-to-Campus:

Students and faculty will be able to access a wider range of academic and scientific resources, improving the quality of their studies and research.

COMPETITIONS AND HACKATHONS

JOINT HACKATHONS AND COMPETITIONS

Students work in teams to solve real-world problems related to technology, sustainable development, entrepreneurship, etc.

OPPORTUNITY FOR CAMPUS- TO-CAMPUS:

Attract students with diverse skills who can contribute to the project, encouraging knowledge exchange and the creation of unique solutions.
