

FARABI
university

DEAR COLLEAGUES AND GUESTS OF OUR UNIVERSITY!

Welcome to the hospitable country of Kazakhstan and Al-Farabi Kazakh National University!

Al-Farabi KazNU is a unique university in Kazakhstan and Central Asia, ranking among the top 200 universities in the world.

This year, KazNU has moved up to 163rd place in the global QS World University Rankings.

The university consistently leads in national rankings.

KazNU is the first and only university in the Central Asian region to receive the prestigious "Five Stars" award in the international QS Stars Rating System.

The scientists and scholars at the university make a significant contribution to enhancing the integration of domestic education, science, and production.

In his address titled "Unity of the People and Systemic Reforms - a Solid Foundation for the Prosperity of the Country," the President of the Republic of Kazakhstan, Kassym-Zhomart Tokayev, noted: "The development of science is our most important task. This means being one step ahead and providing innovations in line with the spirit of the times."

Al-Farabi KazNU has become a large intellectual corporation with a unique scientific and innovative infrastructure that trains highly qualified specialists in various fields of society.

KazNU is gaining popularity in the global scientific and educational space and is expanding cooperation with foreign partners.

The exchange of best practices and the expansion of cooperation between scientific organizations and universities are important to us.

Our main goal is to provide high-quality education for young people, train qualified scientific personnel and educate specialists who will contribute to the development of the state.

I wish you good health and well-being for your families.

I truly believe that we can forge partnerships, come together, and work collaboratively toward a shared goal.

May you find success on your scientific and educational path!

*With best wishes, Zhanseit Tuimebayev,
Chairman of the Board - Rector of the Al-Farabi Kazakh National University*
