

## Brief information about the project

Name of the project	«Ruta de la seda: Espana-Kazajstan»
Relevance	The issues of studying and reviving the ancient transnational highway - the Great Silk Road - are becoming a reflection of the desire of many states and reputable organizations to expand zones of stability and spaces of trust, to stimulate economic and political cooperation between the independent states of Central Asia and Spain. This project makes it possible for the Republic of Kazakhstan to realize the advantages of its geographical location with maximum efficiency, equip modern infrastructure, modernize the existing industrial potential, create new jobs and improve the standard of living of the population, taking into account the needs of the world economy. The role and interest of the Kingdom of Spain is undoubtedly great.
Purpose	determining the role and importance of transport communications in general and the Silk Road revival project, in particular, in the formation of a new system of modern bilateral relations between the Republic of Kazakhstan and the Kingdom of Spain.
Objectives	<ul style="list-style-type: none"> <li>– to analyze the situation in Kazakhstan from the point of view of its involvement in the foreign policy strategy of European states, including Spain;</li> <li>– To explore the reasons for the interest of the world community in the idea of reviving the Silk Road;</li> <li>– To identify the trends of the project's impact on Kazakh-Spanish relations</li> </ul>
Expected and achieved results	<ul style="list-style-type: none"> <li>– To identify the potential and real contribution of Spanish scientists to the development and modernization of the new Silk Road;</li> <li>– to identify the geostrategic goals of Spain in determining the routes of transport corridors and communication lines with access to the market of Kazakhstan and neighboring countries;</li> <li>– to make a general forecast of the prospects of bilateral relations between Kazakhstan and Spain in the logistics sector.</li> </ul>
